EDUCATION

Chandigarh University	2022 – Present
<i>Bachelors in Computer Science Engineering (CGPA: 7.33 / 10)</i>	<i>Gharuan, Mohali</i>
DAV Public School	2022
<i>Intermediate (CBSE) – 82.6%</i>	<i>Rajpura, Punjab</i>
DAV Public School	2020
<i>Matriculation (CBSE) – 85.6%</i>	<i>Rajpura, Punjab</i>

SKILLS & INTERESTS

Technical Skills: Java — SQL — React.js — Node.js — Jira

Version Control: Git — GitHub

Interpersonal Skills: Team Collaboration — Problem Solving — Adaptability — Self-Learning Mindset

PROJECTS

LocalWala (SaaS Platform)	March 2026 – April 2026
<i>React.js, Node.js, Express, Rest APIs, MongoDB, Cloudinary</i>	
- Developed a SaaS-based platform that enables shopkeepers to create and manage their own online stores without any prior technical knowledge. - Designed a user-friendly interface allowing users to set up a fully functional shop within 5–10 minutes.	
Eco-Friendly Tourism Tracker	May 2025 – July 2025
<i>React.js, MongoDB, Node.js, Express, Cloudinary</i>	
- Built a platform that motivates people to practice eco-friendly activities and track their environmental impact. - Developed an incentive system for users adopting green travel practices, increasing engagement.	
IoT-Based Delivery Robot	Dec 2024 – Jan 2025
<i>ESP32, Sensors</i>	
- Designed and built an autonomous delivery robot capable of transporting items to designated locations. - Enabled automated delivery box opening at destination and auto-close after parcel pickup..	

TRAINING

Stellen Infotech Pvt. Ltd.	Mar. 2026 – Present
<i>Backend Developer (Node.js & Express) – Shopify App Development</i>	
<i>Mohali, Punjab</i>	
- Developing and maintaining scalable backend services using Node.js and Express for Shopify app development. - Customized Shopify stores with theme modifications, UI enhancements, and feature integrations.	

EXTRACURRICULAR ACTIVITIES

React.js Workshop	Chandigarh University
<i>10-hour Training</i>	
Built React.js apps and learned component-based architecture.	
Code Wizard Hackathon	SRM University, Delhi (NCR)
<i>Participant</i>	
Developed a functional prototype in 24 hours, showcasing problem-solving and teamwork.	
DSA Summer Training	Chandigarh University
<i>Intensive Program</i>	
Focused on mastering algorithms and optimization techniques.	
Hack With Tricity - National Hackathon	Hack Tech Community
<i>Organizer</i>	
Planned and managed logistics and technical coordination for 100+ participants nationwide.
